Mr. Joseph Hallak
172 Johnson Avenue
Hackensack, NJ 07601

Dear Joeseeph,

Congratulations on your THIRD YEAR as a bona fide member of the Green Cleaners Council. Your continued eco-efforts are to be commended, and your GCC membership lets your customers know that you care and are committed to environmental sustainability in all areas of your business.

We will be sending out press releases on PRWEB on April -Earth Day - telling everyone about the work GCC cleaners are undertaking to achieve environmental sustainability. We will of course stress why they need to use you, and will direct them to our website.

The Green Cleaners Council now has a Facebook Page; please visit it and become a fan.

We realize that getting your local market the information on everything positive you do is important, but requires time, energy and expertise you may not have. If you're interested in exploring how we'd like to help to set you up on the local searches - yahoo local, bing local and google local (for a small fee), please give me a call (708 205 7611). After you are set up we'll show you how to monitor and add content easily on your own.

Enclosed you will find your 2011 GCC decal. Once again, we commend you on all your efforts to be a green cleaner.

Sincerely,

A handwritten signature in cursive script that reads "Ann Hargrove".
